

# THE CENTENARIAN

## From the Pastor's Desk

Dear Centenary UMC,

As we approach the month of February, we look forward to joining together to experience the journey of Lent, the 40 days leading up to the celebration of Easter. Please know that it is monthly that worship, fellowship, and educational gatherings are being evaluated as to how soon we may return to gathering in person once again. Please note that your committees of the Ad Council, along with the committees of nurture, worship, and missions, are working to ensure that Valentines and Lent will have reminders and offerings from the church to hold our Faith Community in focus and together until it is safe for us to gather in person again. Please look throughout the newsletter for listings and opportunities.

I want to thank you as a congregation for the leaders and members of the committees which you elected at the last Charge Conference. In this addition of the Centenarian, you will find a complete listing of the Ad council, along with the members of each committee.

The Ad council in 2020 and this far in 2021 has been meeting monthly to evaluate the missions and ministries of the church as well as the return to in person worship, study, and fellowship. The members of the Ad Council are to be commended for their hard work.

The Discipline of the United Methodist Church states the Ad Council purpose: ¶ 252.1. *Purpose* - The **church council** shall provide for planning and implementing a program of nurture, outreach, witness, and resources in the local church. It shall also provide for the administration of its organization and temporal life. It shall envision, plan, implement, and annually evaluate the mission and ministry of the church. The church council shall be amenable to and function as the administrative agency of the charge conference (¶ 244).

Along with the purpose in the Guidelines for Effective Leaders in the United Methodist Church it states that all leaders possess these qualities in being effective leaders in their churches:

“Effective leaders share several traits. They listen actively to ideas, concerns, or suggestions and express God’s love by showing compassion for others through word and deed. They are servant leaders who can both share the work and delegate responsibility. Good leaders are aware of their own gifts and abilities. At the same time, they can recognize the gifts of others and are willing to step aside to let them use their gifts and abilities. They attend to their own spiritual growth and discipleship. In leading meetings, they engage in Christian conferencing and develop agendas that include ample time for biblical reflection, prayer, singing, and so forth.”

However, I love that the United Methodist church sets the precedent that all leaders which are asked to be on Ad Council, chair a committee, or sit on a committee are first and foremost to be Spiritual leaders who do this through speech and action. Christian spiritual leaders practice regular worship attendance, small group participation, Bible study, and regular generous giving. These practices are essential for committee members.

At Centenary UMC we are fortunate to have people who uphold both their baptismal vows, their church membership vows, and strive to be the spiritual leaders for the vital missions and ministries of Christ and His Church. We thank them for the time and talents which they have already shared and pray for their upcoming year of service.

However, each member of the congregation has an important role to play. We all must pray for one another, and we must be unified in working together Christ through Centenary UMC.

It is going to be exciting to see how God leads us forward in 2021. I know it will be exciting and challenging, but also vital and fruitful.

Thank you to each person who is serving this year, and for the congregation which support their time, talents, gifts, service, and witness.

**Ephesians 2:10:**

For we are his workmanship, created in Christ Jesus for good works, which God prepared before hand, that we should walk in them.

This is our purpose and path as we follow God's plan in prayer.

What a blessing 2021 will be! Thanks be to God!

Take care and God bless,

Kelley

From the Worship Committee

The Worship, Missions, Membership Nurture and Outreach Committees are working very closely with the AD Council to continue finding ways to be the church even though we can not be in the building. We anticipate, that due to the Covid-19 virus and possible bad weather in the winter months, we may not be back in the building until after the Lenten Season. We can still to be the "Church" just in vastly different ways.

Here a some of the upcoming plans:

**February 7<sup>th</sup>**

Drive-Thru Communion – on this day we will be giving out Valentine's/Lenten Bags. If you cannot make it to the church that day we will do a Doorstep Drop Off. Just give the church a call someone will bring it by, leave on your porch and call to let you know it is there.

**February 17<sup>th</sup>**

Ashe Wednesday Drive-Thru Ashes – You may also pick up your Lenten bags at that time.

**March 7<sup>th</sup>**

Drive-Thru Communion with the Stations of the Cross displayed around the outside of the church building. Please keep in mind that just like our world things are constantly changing but God's love and grace will always be there for us. In the building or outside the building we can always be the hands and feet of Jesus and show that love to our neighbors.

In His Service,  
Betty Durham

## New Lenten Bible Study: *The GOD We Can Know* By Rob Fuquay

Exploring the "I am" sayings of Jesus

When: Tuesday Mornings @ 10:00 AM and Tuesday Evenings @6:30 PM

Where: via zoom

Dates: February 23-March 30, 2021 (6 weeks)

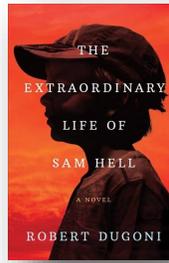

Getting to know God means getting to know ourselves. The more we know who God is the more we know who we are. The Gospel of John records several declarations of Jesus known as the "I Am" sayings. This 6-week study is designed for the entire congregation to explore each of those sayings and will help you find and form an answer to the most essential question in the Christian faith, "Who do you say I am?"

One by one, Jesus' statements grab our imagination, reveal more about his identity and purpose, and connect us to the God of Moses, who spoke the first "I Am." These significant yet ordinary images (bread, light, shepherd, vine, and more) give us insightful ways to experience Jesus and point us to a God who wants to be known.

The books are available at the church and the cost is \$10.00. Make checks out to CUMC and write on the memo line Lenten Bible Study.

### The Peanut Gang

As of January 1 Leith Singletary has been selected as the new President of CUMM, also Paul Jones is the new chairman of UMM peanut project. Note: the January sales were excellent and we look forward to a banner year. We welcome any additional volunteers to help service customer stores or label new stock when received monthly. I would like to thank all of the present workers for their time and service to this project.

## Centenary Starlight Book Club

On Thursday, February 18 we will be discussing, The Extraordinary Life of Sam Hell by Robert Dugoni

Where: via Zoom

When: 7:00pm

Sam Hill was born with ocular albinism, red pupils. Children called him "Devil Boy". No one would accept him as a playmate, Even the Sisters of the school where he attended were almost afraid of him. He was finally accepted by a Black boy his age and they became the best of friends all their lives. Sam was extremely smart. He excelled in all classes. He was bullied all through school. He became an eye doctor, He left America and became an eye doctor in a foreign country. But his true friends stuck with him all through his life. [\(less\)](#)
